Attached are my edits, which are primarily formatting.

Rosemary and Kelly – Please take a look at this and if you have no additional input please provide to the RA's office this morning and copy Jeaneanne. Thanks.

Adding a few thoughts (feel free to take them or leave them) though I am sure that Matt will probably send something, as well. Also made a couple of editorial changes to the chart on the last page, though that does not seem to show up in redline. Thanks!

I've attempted a first draft at a briefing sheet for our meeting next week. Please review and edit as you see fit. I've also added a timeline graphic as requested but if anyone feels there is a better way to visualize this information please feel free to edit that as well.

Matt and Kavita,

I'm particularly hoping you can add any legal implications Mary should be aware of.

Tom,

This is due to RA's office by Monday and I know both Rosemary and I are out tomorrow, so if all the edits don't get back by COB today, you may have to compile them for us to hit the deadline.
